Property Owner Signature: _____

Neosho County Authorized Signature: _____

Landowners who wish to use their own culvert for entrances shall have the culvert inspected and approved by Neosho County personnel prior to installation. Properly installed culverts will be maintained by the county, once accepted. Improperly installed entrances, entrances not paid for in a timely manner, and entrances installed without obtaining prior approval from Neosho County may be removed at the discretion of the Road and Bridge Director or Neosho County Engineer, and costs of removal will be billed to the landowner. **Entrances installed by Neosho County not paid for within 30 days of invoice shall be removed.**
