

## PUBLIC NOTICE of 2025 RE-INSPECTION

The Neosho County Appraiser's Office will be conducting its annual reinspection of properties within the following areas beginning early spring and going through mid-to-late summer, pursuant to PVD Directive #11-043, in accordance with K.S.A. 79-1476:

### **Rural areas:**

- Mission Township (East side of Queen Rd between 70th & 130th)
- Centerville Township (West side of Queen Rd to East side of Irving Rd between 70th & 130th)

### **Urban areas:**

- City of St. Paul
- City of Galesburg
- City of Chanute:

\*All parcels East of Santa Fe between 7<sup>th</sup> and Ash Grove Rd.

\*All parcels North of Cherry Street to city limits

\*All parcels W of Plummer Ave between 7<sup>th</sup> and Ash Grove Rd.

There will be no set schedule for when field staff will be in your area, but all necessary precautions shall be taken while appraisal staff are on or near your property. While on your property you may observe our staff measuring your structures such as your home, carports, sheds, garages, etc. We also take photos of the front and back of the house for year-to-year comparison purposes. As always, we do attempt to make contact while on the property to confirm that our interior information is up to date. If there is no one home, our field staff will leave a questionnaire that may be returned by mail.
