Local Intangibles Tax

What is Intangible Tax

The intangibles tax is a local tax levied on gross earnings received from intangible property such as:

Savings accounts Stocks Bonds Accounts Receivables Mortgages

(Intangibles tax is not to be confused with the state income tax which is used to support state government)

Who Must File Local Intangibles Tax

Neosho County Townships requiring Intangibles Tax filings are:

Erie Township, Lincoln Township, & Walnut Grove Township

All Kansas residents and corporations owning taxable property and every nonresident owning accounts receivable or other tangible property with a Kansas business situs, receiving earnings from the property during the calendar year or fiscal year ending in 2010, must file a Form 200. If you live in an area that has no intangibles tax, or your tax due is less than \$5, you do not have to file a Form 200. **Tax Form 200 is available at the Kansas Department of Revenue Website.**

When and Where to File

You must file a hard copy Form 200 with the Neosho County Clerk's Office on or before April 15th, 2011 (there are no provisions for extensions of time to file the Form 200). **DO NOT** enclose the Form 200 with your Kansas Income Tax Return and mail to the Department of Revenue. The Neosho County Clerk will compute your tax and you will be billed by your Neosho County Treasurer in November. If your return is delinquent, interest and/or penalty may be assessed by the County Treasurer's office. This will be included in your tax billing when you receive it. If your tax is less than \$5 you will not be billed.
